UNITED BEAUTY RE-LAUNCH SOLGLO®, A PROFESSIONAL SPRAY TANNING BRAND THAT CREATES A FLAWLESS, NATURAL LOOKING TAN ON ALL SKINTONES

United Beauty Products, home of Star Nails®, have re-launched their popular Spray Tanning Brand Solglo®.

Over the past year, the laboratories at United Beauty have been dedicated to extensive product testing and the re-development of the existing Solglo® brand. Customers have always loved and remained loyal to the Solglo® brand but often requested a darker shade to suit their broad client base. To stay at the forefront of spray tanning technology, United Beauty have taken on board our customers comments and after extensive testing and development have created a new and improved Solglo® product range.

The Solglo® Spray Tanning range is filled with nourishing and natural ingredients to give you a long lasting tan that adapts to suit your individual skin tone guaranteeing a natural look. The addition of Cocoa Butter and Vitamin E keeps skin looking and feeling silky, smooth and moisturised all day long. Whilst the added Aloe Barbadensis (Aloe Vera) in our Solglo® Sun Kissed (8% DHA) and Sun Drenched (12% DHA) spray tanning solutions will condition and soothe the skin both during and after application. With the addition of Juglans Regia (Walnut) Shell extract to act as a safe and effective chemical free guide colour to make the application of the Solglo® spray tanning product easier for therapist and to give the client an instant beautiful bronzed colour.

Solglo® Shimmer Solutions

The Solglo® shimmer solutions are perfect for weddings; parties, special occasions and any event that your client wants to feel special. This unique blend of Aloe Vera a well-known skin conditioner and light-reflecting particles will reduce the appearance of cellulite and give your clients' skin an iridescent sheen as well as a toned and flawless appearance. So quick and simple, the Solglo® shimmer solutions can be used alone to give your clients an instant

glow or immediately after a Solglo® spray tan session for maximum shimmering effect.

Prepare, Protect and Prolong your Perfect Tan with the Solglo Line® Extensions

Solglo® Pre-Tan Body Scrub

Solglo® Professional Pre-Tan Body Scrub gently but effectively exfoliates the skin. Our small, gentle, exfoliant beads leave the skin feeling silky smooth and ensure an even and natural looking tan. The delicate fragrance of lotus blossom lifts your spirits leaving you feeling refreshed and energised.

Solglo® Pre Tan Moisturising Enhancer

Solglo® Professional Pre Tan Moisturising Enhancer is a light easily absorbed moisturiser containing the anti-oxidants and free radical scavengers, Vitamin E and Co-enzyme Q10. Designed to moisturise the skin leaving it smooth, re-hydrated and perfectly prepared for your spray tan. This formula has been developed to work with your spray tan and provides long-lasting moisture as well as improving skin structure without acting as a barrier to the tan. The delicate fragrance of lotus blossom lifts your spirits leaving you feeling refreshed and energised.

Solglo® Professional Vitamin Enriched Tan Extender

Solglo® Professional Vitamin Enriched Tan Extender is a self-tanning lotion with a low level of DHA for daily use. Enriched with Coco butter and Vitamin E to smooth and moisturize your body as well as pro-longing the life of your spray tan. When used daily you will achieve a golden, natural looking tan. The delicate fragrance of lotus blossom lifts your spirits leaving you feeling refreshed and energised.
